HOUSE OF THE SCORPION RAP LYRICS

CHORUS: This is the story of a special individual

And who knows what will happen next? (2x)

Verse 1:

This is the story of a clone, who came from a cow.

He was very special, yet no one said wow.

Celia went to work, and left matt at the house.

She wouldn´ t let him out, for she called him a mouse.

Steven, Emelia , and Maria, came one day.

They called him out, because they wanted him to play.

To get outside, he smashed the window and jumped out.

He landed in some shards and he began to shout.

They took him to their house to examine the cuts.

When they got there, they found a mark on his foot.

Turns out, that mark proved that Matt was a clone.

Matt didn´ t know; he was confused to the bone.

They kicked Matt out, and called him a beast.

He prayed for someone to help, Celia at least.

Then Maria came, his only true friend.

Maybe this madness would come to an end.

<u>Verse 2:</u>

Then came Rosa to take him to his cell.

He was treated unfairly, it felt like hell.

Eventually Maria was taken away.

Soon she came back with Celia to save. The. Day.

Rosa took Matt to see a mysterious man (El Patron).

He gave matt cookies and milk; matt was already a fan.

Matt was the man′ s clone, he needed a bodyguard.

He chose Tam Lin, the choice wasn′ t very hard.

Maria went to school, and Matt got upset.

He treated her like dirt, which he came to regret.

Matt was in shock,

He never spoke a word.

He was Assigned a teacher, who he thought was absurd.

Teacher nearly drove Matt insane.

Matt thought It was absolutely inhumane.

The teacher taught the exact same lesson.

Matt burst out screaming words in aggression.

Verse 3:

Tam Lin took Matt to see an oasis.

Matt visited on a regular basis.

Matt loved Felicia′ s piano playing,

So he hid in a closet with clothes that were fraying.

In the closet, Matt found a secret passageway.

One that will help him some other day.

Then Matt and Maria got in a fight.

She was mad that Matt didn′ t treat Tom right.

Matt was told to see Maria soon as possible.

She was there waiting for him at the hospital.

When he got there, Tom came soon.

He showed Maria to a certain room.

In that room there was a gross clone that made Maria cry.

She was automatically right by Tom′ s side.

To get Maria′ s attention Matt stole her dog.

But the dog was killed and matt was blamed for it all.

<u>Verse 4:</u>

Then Celia told matt a story of her past.

When she was little it seemed like a blast.

Maria forgives Matt, and once again,

Like before, they are the best of friends.

A book about opium is what matt read,

it trashed El Patron with the bad things it said.

Matt went to the place where the eejits sleep

He almost suffocated in some ooze—knee deep.

He often pondered his creation.

He found some very devastating information.

He would only be used for El Patron′ s spare parts.

Like livers and organs especially the heart.

He read the book of Opium again.

He found Maria′ s mom to be the author at the end. (Esperanza)

Emilia and Steven have a wedding.

El patron had a heart attack which matt found upsetting.

<u>Verse 5:</u>

El patron betrays matt but celia stands up for him

Matt would′ ve lost his organs, causing him suffering

El patron died without transplants.

Celia and Matt didn′ t listen to his rants.

Since El Patron is dead,

Matt has to immigrate to Atzland.

He says goodbye to his friends without grinning.

To go to Atzland and start a new beginning.

To get past the farm patrol, it was tough.

But luckily, he pulled it off

He made a fake story to trick the guards

He said his parents died and it was very hard

He was put in an orphanage but made some new friends

Like Fidelito and Chacho, they′ d stick together to the end

Later a keeper told a story that Matt questioned

His point was very smart, but the keeper wouldn′ t listen

<u>Verse 6:</u>

Keepers thought lots of bad things about Matt

They called him a swanky aristocrat

They went to a plankton factory and work there

Everyone was ″equal″ yet it wasn′ t fair

A keeper named Jorge thought Matt was bad

But Matt wouldn′ t admit it and was verbally attacked

A boy named Ton-Ton also Attacked him

He was very smart but just didn′ t show it

Matt still wasn′ t admitting his wrongs

As a threat, Jorge beat Ton-Ton

Ton-Ton said he owed his life to Jorge

He told a long and confusing story

That night Jorge was mad and fed up

Matt apologized but it wasn′ t enough

Small Fidelito was almost beat by Jorge

But Matt and Chacho attacked him, hoping to save

<u>Verse 7:</u>

Jorge told everyone what the nurse saw

Matt was proven to be property of the Alacrans.

They found out that he was a clone, but not all cared

Some said it didn′ t matter and to be mad was unfair

Matt and Chacho went to the boneyard, anyway

A place where people went when they made trouble everyday

When they were there Matt often told Chacho ‘bout his past

After a while Chacho was exhausted and couldn’ t last

Then on a shrimp harvester came Fidelito and Ton-Ton

Ton-Ton hydrated Chacho they got on the harvester and went on-on

<u>Verse 8:</u>

Matt and Fidelito had to walk the rest of the way

And Matt had an asthma attack and an elderly couple saved the day

The couple, Consuela and Guapo, took them to their home

They talked about the day of the day of the dead, where spirits could roam

Matt told them where they needed to go]

So off to the convent they went with Guapo

They saw the keepers which made them scared

And then they saw Chacho who was impaired

Then, with the keepers, they got into a fight

But Esperanza stopped it with her vocal might

After that there came Maria

Matt was very happy to see her

Esperanza then devised a plan

Matt had to go home and rule his land

He went home after that

And saw Celia, Mr. Ortega, and Donald who was Daft

They sat down and talked about the incident

Everyone had died from poisoning

Matt was upset but he knew what to do

He had to take over Opium and rule.

Tam Lin had done so much for Matt

He knew he had to pay Tam Lin back

He′ d start a new land with new rules, new laws

With the help of his friends, nothing could go wrong.
